Notes:

1. These tables have been prepared by Prof. J.H.E. Cohn, 23 Highfield Gardens, London NW11 9HD, who would be grateful for any comments.
2. No account is taken of Summer Time. When this applies, currently from nearly end of March to nearly end of October, add one hour.
The time zone of London has been taken to be GMT + 0.
3. These times are according to the opinion of the L'vush and the Vilna Gaon.
